

Sooke Night Market

Busker Application 2019

The Sooke Night Market 2019 will operate for 14 nights this season, starting on Thursday June 6th and then every Thursday night until September 5th. The market operates from 5pm to 8pm. The market operates at the Sooke Region Museum, at the corner of Phillips Rd & Hwy 14. There is a bus stop by the museum.

The market is entering its fifth season and is very popular with locals and visitors. There is a variety of vendors, including food, art, crafts, produce and liquor.

For Buskers, we offer a covered tent space and power. We provide a \$75 honorarium and you can 'pass the hat'. We can also offer a small sound system.

Application

Contact Name: _____
